When you donate to FISH Thrift Store, you do more than offer a new life to your used furniture, clothing or artwork. You help to raise more than \$40,000 annually in support of homeless men, women and children enduring an emergency situation in Walton county .

Every \$1 will help provide a nutritious sack lunch to a child. We will feed 2500 children a day this summer for 40 days. That is \$100,00 for food.

Your purchases and item donations will help with rent, mortgage, utilities, food, clothing, furniture, dental, prescriptions, transportation and shelter for neighbors in proven emergency situations.
